Bitch must be ovulation timed for optimal timing. Bitch must also have hip, elbow and eye clearances. Service fee is \$500.00 USD (within USA only) and payable before the first shipment or breeding. The service fee is considered a deposit towards the full stud fee (\$2,500.00) and is a non-refundable fee. The remaining balance of \$2,000.00 is due within 3 days upon the birth of 2 live puppies. There is a \$50 late fee if balance is not paid within 7 days after litter is born. If no puppies result from breeding, there is no repeat breeding. We offer shipping boxes and extender for \$60 for per kit. This includes extender and a shipping box. Bitch owner is welcome to ship boxes of their own so long as the boxes arrive at least 24 hours before the shipment is sent. We provide stud service to approved bitches only.
